

HOMEMAKER'S COUNTRY QUILTERS' LIBRARY

2015

Following is a complete list of books in the Homemakers Library.

The filing system is as follows: Books are listed by title and by author. They are filed by subjects such as applique, history, or other subject matter which is listed to aide you in finding a book related to that subject. Use the library and if you have any questions the people in the library will be happy to answer them or help you in any way they can. The resources there are unlimited. Please use them. **All library items must be returned by the May meeting.**

The books are stored in the wall cabinet and metal bookshelves. Please ask Maureen Britt where they are located until she can catalog all the books.
